DiscoverChristianSchools.com (DCS) is the public communications arm of the Mid-Atlantic Christian Schools Association (MACSA). Its purpose is to coordinate the message that Christian schooling is the best option for Christian parents.

- Will I be sheltering my children from the "real world" if I send them to a Christian school?
- Private schools are expensive. How could I ever afford it?
- I went to public school and I turned out fine. If it's good enough for me it's good enough for my kids, right?
